

## Products

Our products are categorised into pre-finished, finished and post-finished.

Pre-finished means that the product is only part of your whole creation, you can add-on to your own creation or enhance the product to make it truly your own.

Finished means that the product can be used as a stand-alone product, you can sell it on it's own.

Post-finished means that the product is usually used as a finishing touch to your creation. You save time simply by using it to enhance your creation.
