Foodedge Gourmet (Singapore) Pte Ltd is a Food Manufacturing Company based in Singapore.

We produce and supply Gourmet Food Products to Established players like Major Airlines, 5 Star Hotels, Country Clubs, Cafe Chains and Fine Dining Establishments.

Our products range from Ice Creams, Gelato, Sorbet, Cakes, Breads, Cookies, Sauces, Condiments, Savouries to Roast Meats etc. Our strength lies in our ability to create recipes and customise food that suits our client's customers.

The hospitality and F&B industry is a very competitive industry, which means that only the finest natural ingredients will suffice, and that is exactly what goes into our food, this not only ensure the quality of the food, it also ensure the taste as well.

We strive to meet our client's expectation each and everytime, by listening closely to their needs and providing suitable solutions that exceeds their expectations. We had since created some revolutionary food products with huge market demand.

Outsourcing is a global trend, it is also a great way to get economy of scale by harnessing the strength of others. Our clients usually experience lower costs, increased profitability and strong customer retention and satisfaction. This is because of our close relationship with our clients.

Experience the difference, see how we can be of value to your Establishment. Call 6339 4953 for a detailed product list or arrange for a no-obligation discussion.
